

The action will contribute to the realisation of the EU Gender Action Plan 2021-2025 GAP III¹, in particular to its thematic area of engagement “Promoting economic and social rights and empowering girls and women” and “Addressing the challenges and harnessing the opportunities offered by the green transition and the digital transformation Digitalisation, Climate change and environment”.

The overall action will follow a humanitarian-development-peace (HDP) nexus approach and a “do no harm” principle. It will take into account the interventions of other international donors and implementing partners in Yemen, and is designed in close coordination with EU Member States through a Team Europe approach.
